## Your experience with the exercises on Zeeguu

In this section, you will be asked to provide feedback and evaluate your experience with the exercises on Zeeguu.

Please rate from 1-10 how much you agree with the following statements:

The Zeeguu exercises makes me more likely to study a foreign language often.

1 2 3 4 5 6 7 8 9 10

I don't agree ☐ ☐ ☐ ☐ ☐ ☐ ☒ ☐ ☐ ☐ I fully agree

Please elaborate why and in what way

I.e. it's challenging, interesting, rewarding etc.

It is a more challenging way of learning a new language, instead of only learning simple sentences. I also like the fact that the articles are interesting as well.

I believe completing Zeeguu exercises regularly would make me learn more words in the language I'm studying.

	1	2	3	4	5	6	7	8	9	10	
I don't agree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	I fully agree

Please elaborate why and in what way

You learn new and difficult words everyday, and instead of spending time learning words you already know, you are only exercising the words you don't.

I believe completing Zeeguu exercises regularly would make me remember learned words more efficiently.

	1	2	3	4	5	6	7	8	9	10	
I don't agree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	I fully agree

Please elaborate why and in what way

The repetition of the words and exercises are a good way to get familiar with the words you don't know from the different articles.

How fun did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not fun at all	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very fun

Please elaborate why and in what way

There were only a couple variations to the exercises, and often they were quite easy and predictable. It was also annoying that the exercises where you had to write didn't change your keyboard language, so it wasn't always intuitive to write in another language.

How difficult did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not difficult at all	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very difficult

Please elaborate why and in what way

The lack of variation and it was always the context the exercise words was presented in. Which makes it more of a memory game than a learning game.

Your thoughts on improvements for the Zeeguu exercises

In this section we'd like you to comment on potential improvements, big or small.

What would improve your learning outcome when completing Zeeguu exercises?

More variation. Harder exercises and uses of the words in other sentences than the one you just learned the word from.

More frequently article updated.

Many of articles where 10+ days old.

What changes/improvements to the Zeeguu exercises would make you more motivated to learn?

More targeted article content. Maybe a vocal exercise and just more variation.

What improvement would make the Zeeguu exercises more fun?

Maybe a point system or level to keep track of your progress. And also a better website.

Please elaborate if you have further comments regarding your experience with the exercises in general

Zeeguu is a nice and different way of learning a new language, however the articles are quite outdated, the website is not that user friendly and the exercises lack variation. It just needs polishing and then I'm sure zeeguu will shine!

Thank you so much!

Your response will be of great help to us - have a nice day :-)

Please elaborate why and in what way

I.e. it's challenging, interesting, rewarding etc.

It was challenging yet rewarding to be reading and exercising using complete sentences in a foreign language from the get-go. It was a bit overwhelming when I tried Hungarian, as I had to translate every word, but for a language more similar to Danish like Dutch, I found that I learned a lot of new words very quickly, because I had a baseline understanding; the exercises had a nice length, and challenged my knowledge in different ways, making it fun to practice.

But I'd say it depends on the language. For example, I'm currently learning Mandarin and I think finding or choosing the correct symbol in a long sentence could become a little overwhelming for a beginner

I believe completing Zeeguu exercises regularly would make me learn more words in the language I'm studying.

	1	2	3	4	5	6	7	8	9	10	
I don't agree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	I fully agree

Please elaborate why and in what way

If learning == understanding their meaning, then definitely! I'm surprised at how many words I now recognize. I'm not sure I would be able to apply them in a sentence though, as I am missing the grammatical foundation

I believe completing Zeeguu exercises regularly would make me remember learned words more efficiently.

	1	2	3	4	5	6	7	8	9	10	
I don't agree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	I fully agree

Please elaborate why and in what way

I think I'd remember the words if I saw them, or if somebody asked me what they meant. But I'm not sure I'd be able to recall them if only I saw their translation.

How fun did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not fun at all	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very fun

Please elaborate why and in what way

I think the exercises were fun! Maybe not video game "fun" 😊, but as exercises for language learning they were different and rewarding enough that I found them fun to do

How difficult did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not difficult at all	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very difficult

Please elaborate why and in what way

In general, I found the difficulty to be good. I think the 3 options to choose from in the "match" and "choose" exercises was perfect for a beginner-level learner. If I were a more experienced learner, I'd maybe want some more options to choose from, in order to challenge myself. Sometimes, the "find" and "choose" exercises were a bit difficult with the more complex words.

Your thoughts on improvements for the Zeeguu exercises

In this section we'd like you to comment on potential improvements, big or small.

What would improve your learning outcome when completing Zeeguu exercises?

Sometimes I would guess the correct word by remembering their position in the text. I think my learning outcome would be improve if I were to find or choose my known words in excerpts I hadn't read before.

What changes/improvements to the Zeeguu exercises would make you more motivated to learn?

Maybe some more stats about my ongoing progress? Accuracy, total words learned, "you have the vocabulary of a X-year old" etc.

What improvement would make the Zeeguu exercises more fun?

If I were to use Zeeguu for a longer period of time, I would maybe want some more exercises to change things up. Examples: listening, pronunciation, constructing sentences etc.

Please elaborate if you have further comments regarding your experience with the exercises in general

Thank you so much!

Your response will be of great help to us - have a nice day :-)

I.e. it's challenging, interesting, rewarding etc.

Det er en anderledes måde at lære et sprog at kende på. Ved at vælge ord, i stedet for at oversætte fulde sætninger, lærte jeg ordene ret hurtigt ud fra øvelserne. Selvom man kunne læse en oversat version af en tekst, lærte jeg desværre ikke den fulde sammenhæng når jeg skulle indsætte ord i en øvelse. Fordi jeg var bevidst om hvilket ord der manglede og hvad det betød, men ikke nødvendigvis den fulde betydning.

I don't agree ☐ ☐ ☐ ☐ ☐ ☐ ☐ ☒ ☐ ☐ I fully agree

Please elaborate why and in what way

I.e. it's challenging, interesting, rewarding etc.

Det har været en sjov måde at lære sprog på. Det var fedt at kunne læse artikler med forskellige ord og vendinger, som man så kunne øve, men det var også en udfordring at lære den egentlige betydning af ordet i og med man nogle gange skulle lære ordet i den præcise sammenhæng.

Det var fedt, at der var forskellige måder, man skulle kunne indsætte ordet i rette sammenhæng/de forskellige øvelser, idet man skulle tænke sig om en ekstra gang hver gang. Det kunne til gengæld også hurtigt blive "udenadslæring" hvor man egentlig ikke huskede selve ordet men kun hvor det var i den enkelte sætning. Her kunne det være en fordel, hvis ordene også var blevet benyttet i andre sammenhænge, så man ikke bare skulle huske det fra sætningen i artiklen.

I believe completing Zeeguu exercises regularly would make me learn more words in the language I'm studying.

Please elaborate why and in what way

Ved ofte at lave øvelser ville man hurtigt kunne lære en stor mængde nye ord og vendinger. Især fordi hver enkelt artikel handler om et bestemt emne, som man så pludselig kan mange ord for (jeg læste fx en artikel om skyderier, død, frygtelig sorg, osv.) og det virkede som en stor fordel, at alle ordene nogenlunde omhandlede samme emne. Det ville til gengæld også have været fedt, hvis man fx kunne vælge bestemte grupper af ord, man gerne ville lære (fx udsagnsord), da jeg ikke følte, at jeg fik den basale grammatik med.

I believe completing Zeeguu exercises regularly would make me remember learned words more efficiently.

Please elaborate why and in what way

De samme ord kom igen adskillige gange - selv efter man havde færdiggjort en øvelse/gruppe ord fra artiklen - hvilket var en fordel, så man skulle omstille hjernen til at huske ordene igen, selvom man var videre til en ny gruppe ord fra en ny artikel.

Same as above. The repetition and the different ways of rehearsing the words seem like it would make me remember the words

How fun did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not fun at all	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very fun

Please elaborate why and in what way

Fun is a big word

How difficult did you find the exercises?

	1	2	3	4	5	6	7	8	9	10	
Not difficult at all	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very difficult

Please elaborate why and in what way

Most of the exercises put the words into a context where you can deduce the correct answer rather than having to remember them, hence it is not all that difficult

Jeg fik ikke så meget ud af at læse en tekst på et fremmedsprog uden nogen form for forhåndsviden om sproget. Det betød at øvelserne mest af alt blev en gætteleg.

I believe completing Zeeguu exercises regularly would make me learn more words in the language I'm studying.
